Epistemico is the annual techno-cultural fest of GWECA. It is a legacy of our college that started since the very beginning of this institution. This is the 11th edition of epistemico. Epistemico, the name itself means celebrating feminism is the biggest extravaganza held under the supervision of Creative Arts Society . Events are conducted under the 4 major committees that are Technical, Cultural, Innovation and Literary, with participants from various colleges of Rajasthan and nearby states.

Derived from the Greek word "gignesthai", "genesis" means "to be born" or "to come into being."

Embark on an extraordinary odyssey where ancient whispers merge with futuristic innovation, as "Genesis: Exordium of Origin" unfolds its grand saga in a vibrant form.

This immersive journey intertwines past narratives shaping today's achievements of Gen Z in Artificial Intelligence, Robotics inspiring tomorrow's technological breakthroughs and what not! Join us on this enlightening expedition, where the genesis of ideas, cultural richness, and scientific wonders converge, unravelling the enigmatic tale of origin

MESSAGE FROM PRINCIPAL

Dear Mahila Engineering College Community,
I am delighted to extend my wishes to each one of you.
EPISTEMICO 2023 is finally here after a three-year wait. This annual techno-cultural event is a showcase of creativity, intellect, and innovation,

Epistemico has always been a stage for our diverse talents, embodying the dynamic and progressive spirit of our college. This year, embrace the theme of knowledge and innovation, fostering collaboration, curiosity, and excellence.

A big thank you to the organising committee, faculty mentors, and volunteers for making Epistemico a reality. Your dedication drives its success.

As we gather to witness months of preparation, remember, Epistemico is not just about competitions but also about the bonds we forge and the memories we create. May this event mark the beginning of a new era of creativity and exploration.

Best wishes for a memorable Epistemico 2023!

Warm regards,
Dr. J.K. Deegwal
Principal, Mahila Engineering College, Ajmer
